## How About Your Title?

ARE YOU SURE IT IS ALL RIGHT? Remember that it is the  
RECORD that governs. It is our business to search the  
records and show what they contain in relation to real  
estate titles. If you contemplate buying land or issuing money on real  
estate security, take no man's word, but insist upon knowing what  
the record shows regarding the title. An Abstract is as essential as  
a deed. Insist on having the only safe record of abstracts  
books in the county. All work promptly executed and satisfaction  
guaranteed. If you have property to insure give us a call. We are  
agencies for the best fire insurance companies. If you  
have property for sale list it with us and we will find a buyer.
